Re: Nebraska Republican Federal Campaign Committee
Identification Number C00032334
June Monthly Report (5/1/05-5/31/05)

This letter is in response to the commission's letter dated August 3, 2005, referencing the June Monthly Report. The commission requested additional information regarding the Schedule B supporting Line 21(b) and the description of itemized disbursements on Schedule B supporting Line 30(b).

- The committee also requested further clarification regarding disbursements described as "Fundraising Event Expense" and "Fundraising Event Room Rental." The purpose of these disbursements was for fundraising events for the state party only. These disbursements were not made on behalf of any specifically identified federal candidate, nor did these disbursements meet the definition of Federal Election Activity.

- The committee also requested clarification on a disbursement described as "FEA payment on debt." This refers to a payment made on a previously reported debt. The original disbursement was described as "FEA Exempt/Brochures". This disbursement was for exempt party activity driven by volunteer efforts.

Sincerely,
Jessica Moenning
